Drucken

mit Eisstielen

Die geschnittenen
Teelichter-Sterne
eigenen sich kaum
zum Drucken...

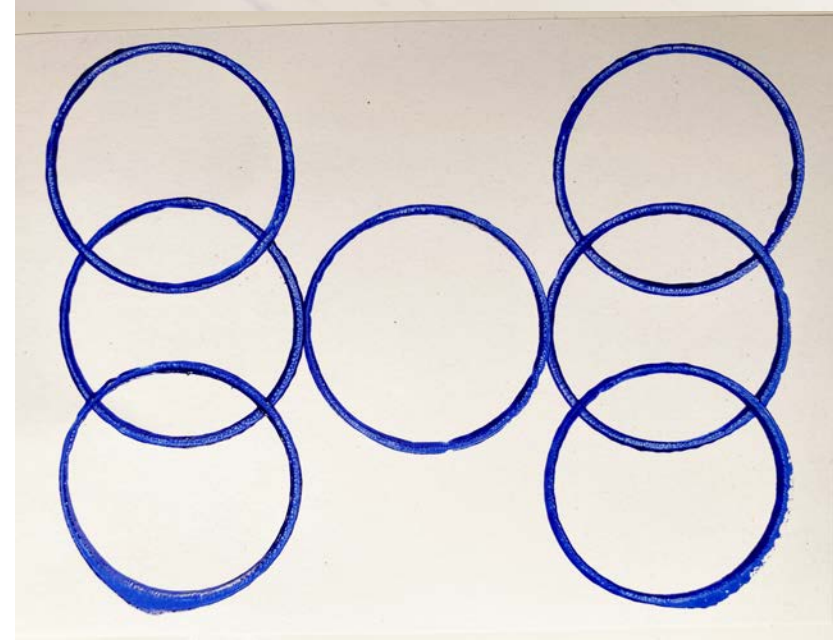

Die sternförmige
Garnrolle wird
Beim Drucken
zum Kreis...

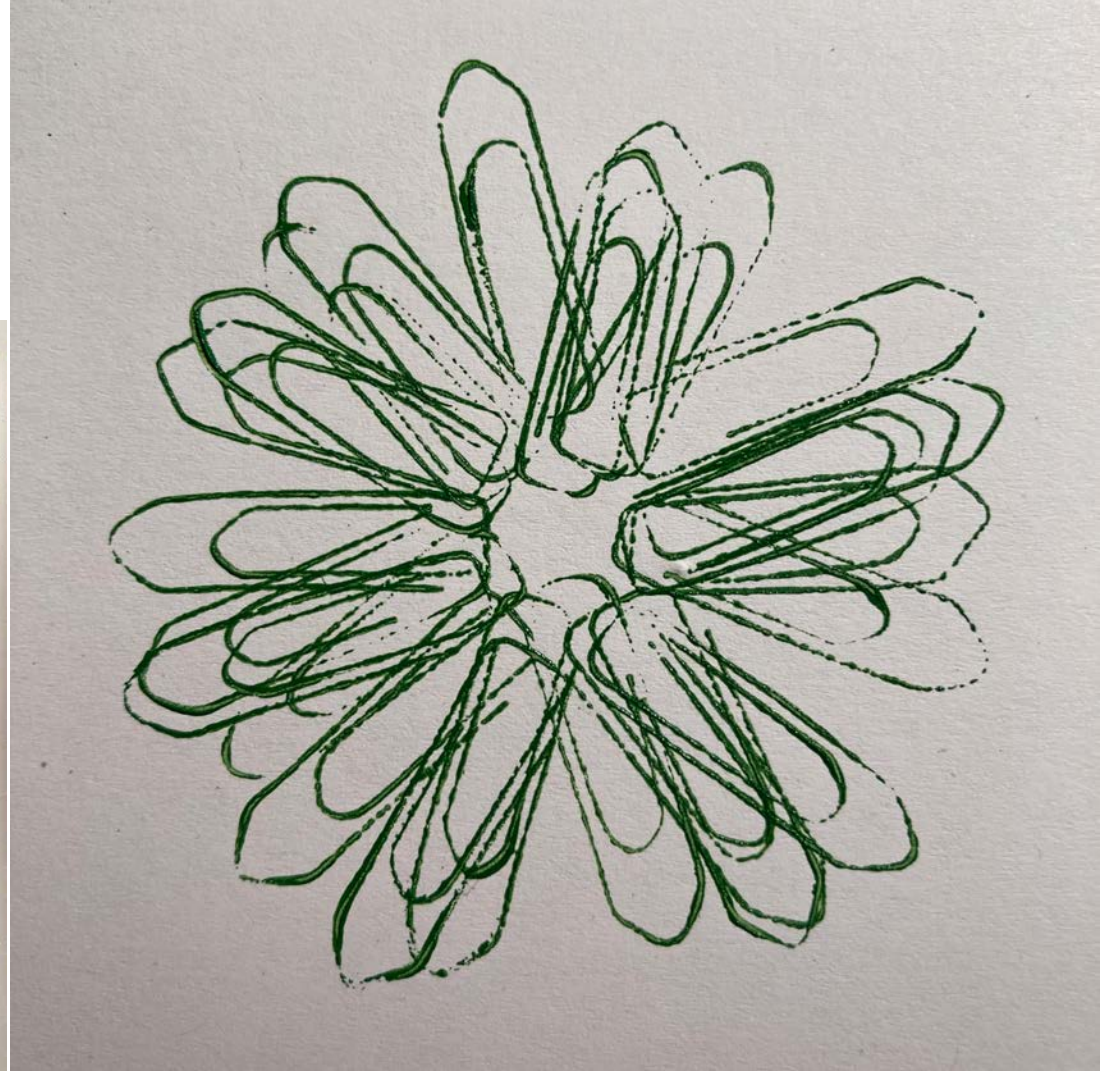

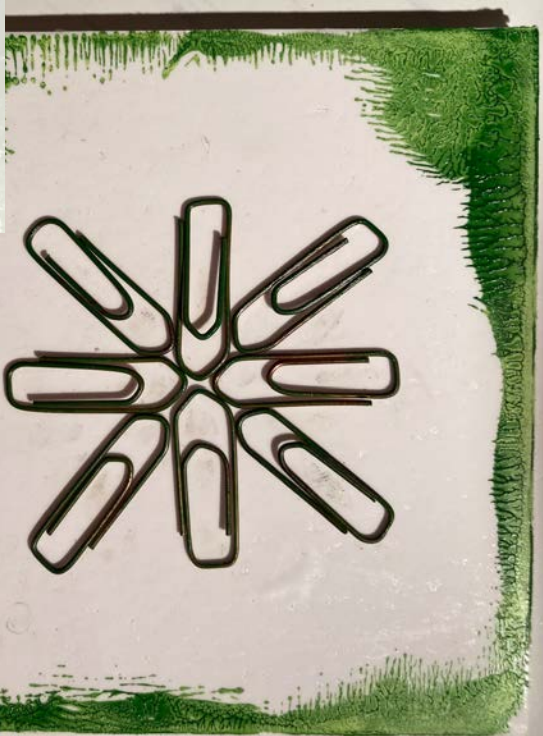

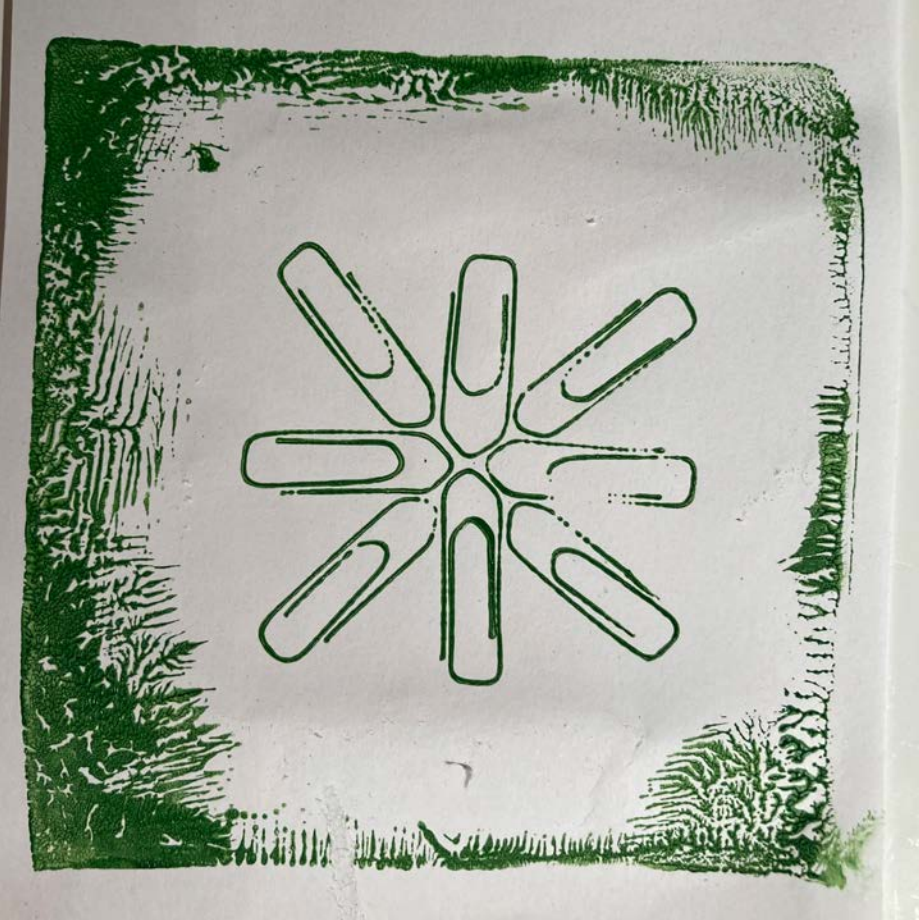

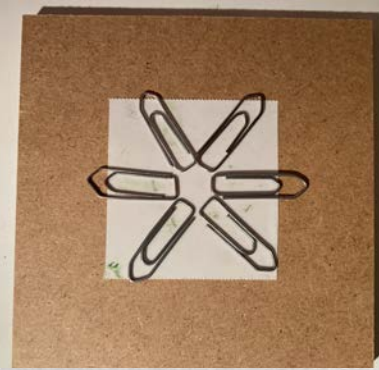

Missglückte Drucke

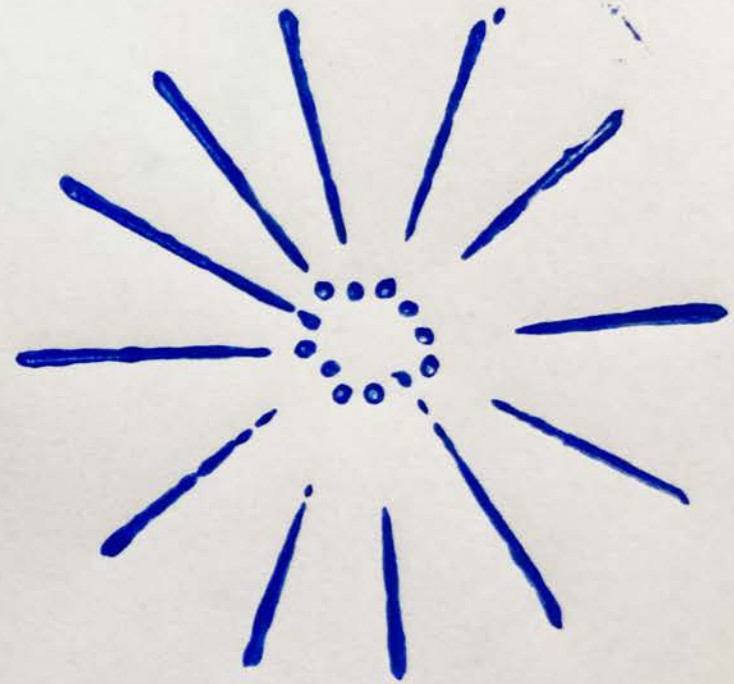

Was machen???

Immer weiter
experimentieren,
ausprobieren,
neu erfinden...!!!

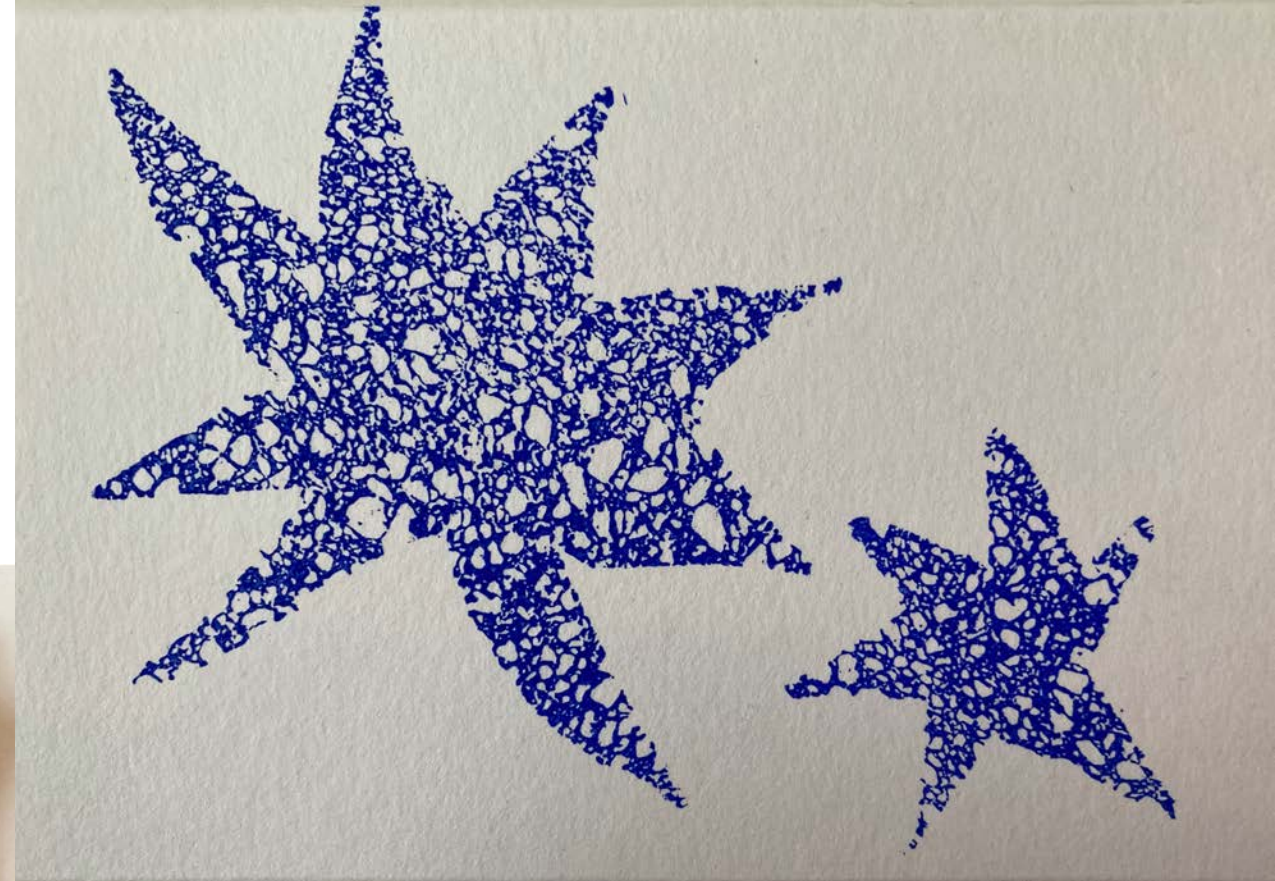

Büroklammer- **Sterne**

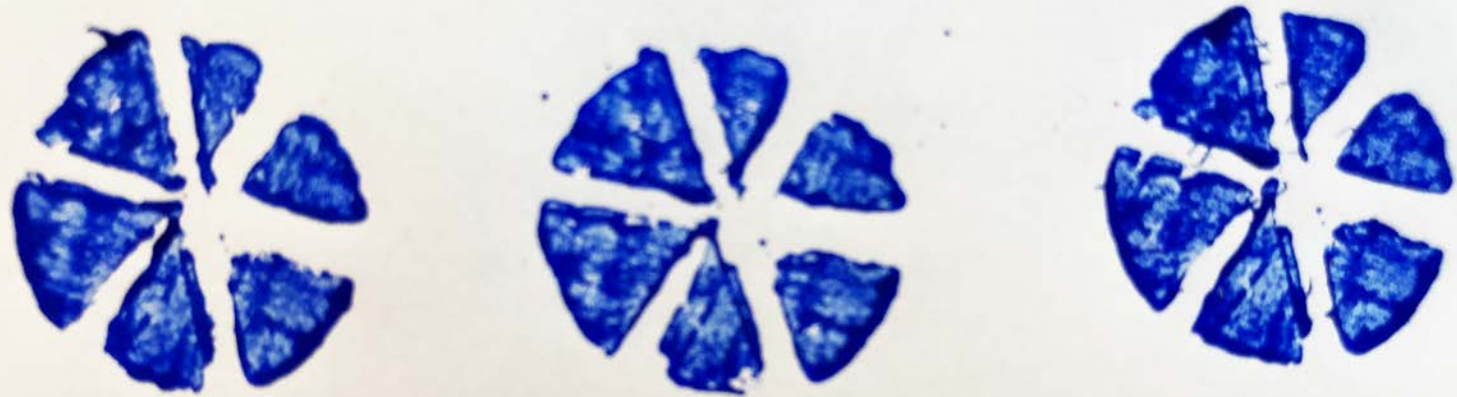

Sterne mit Nägeln

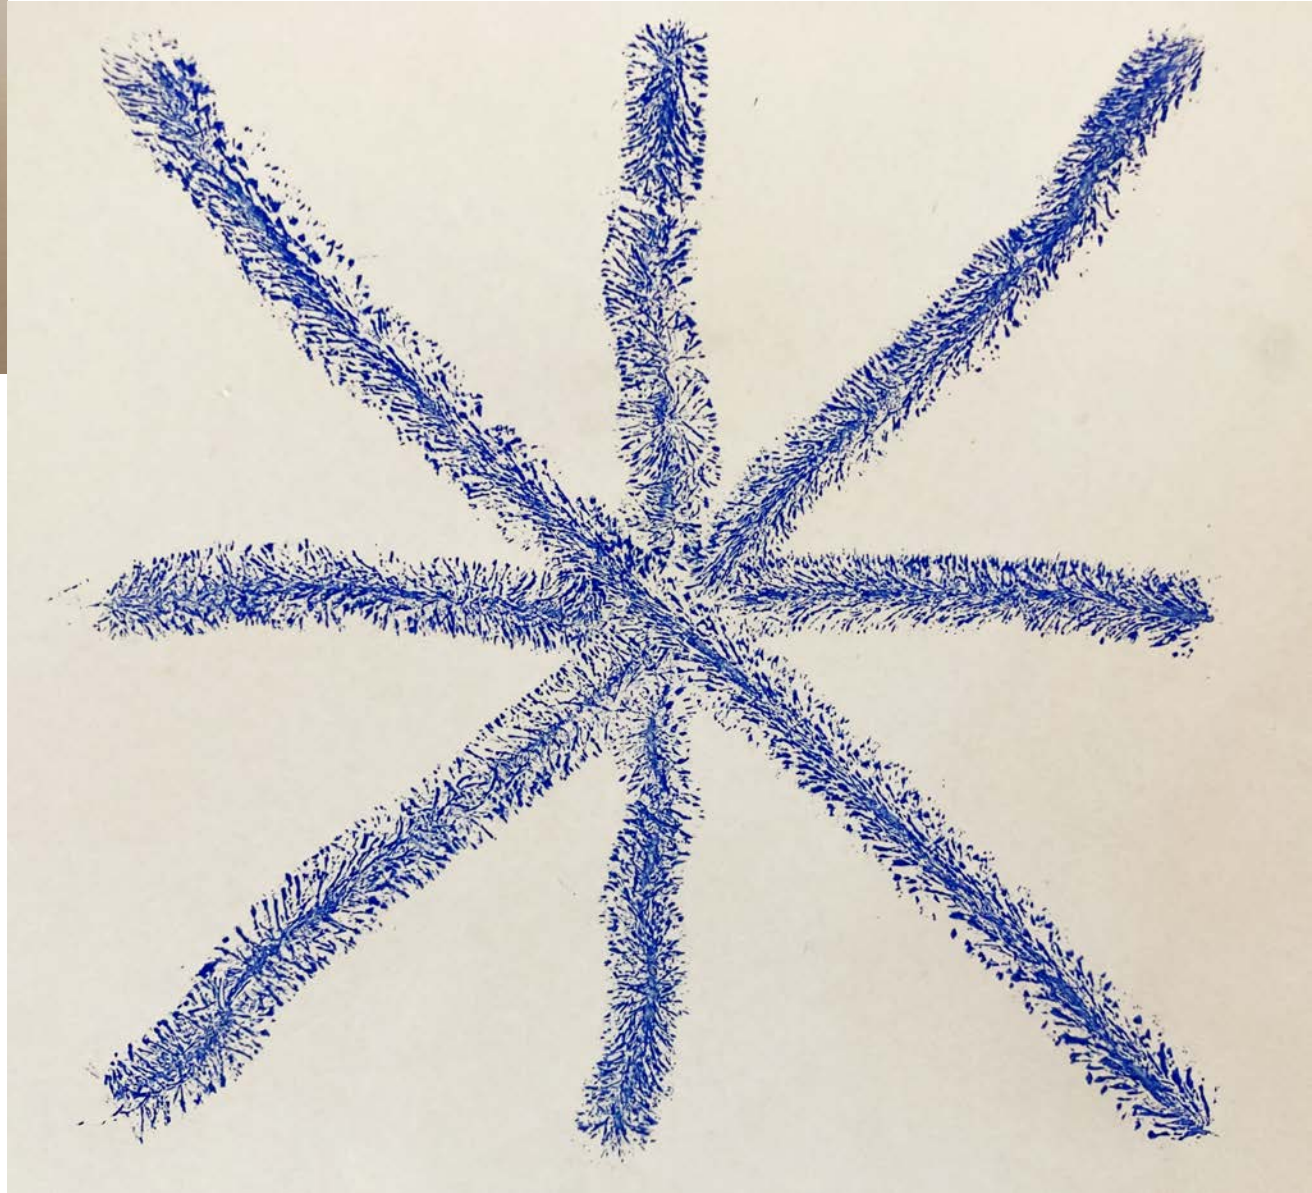

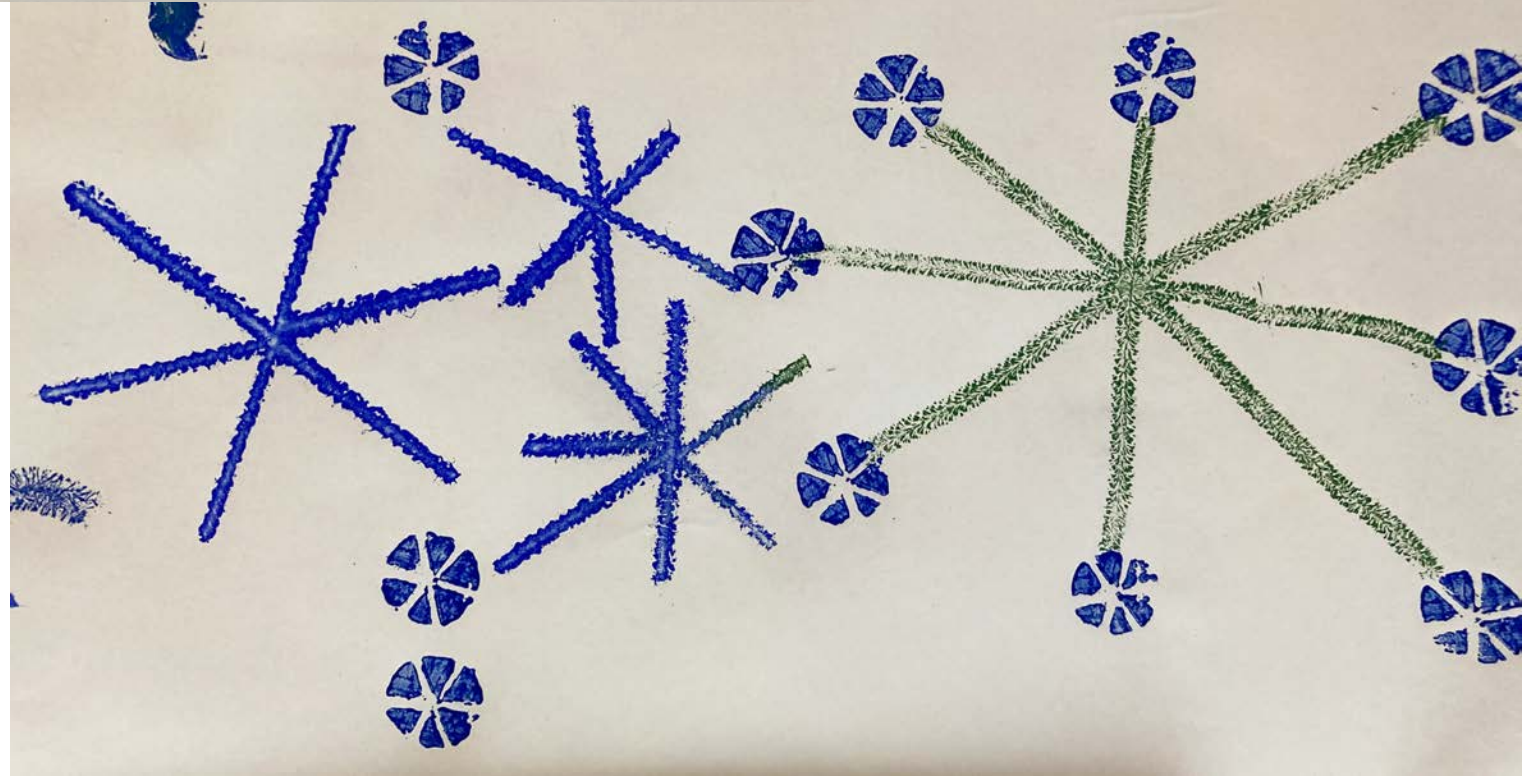

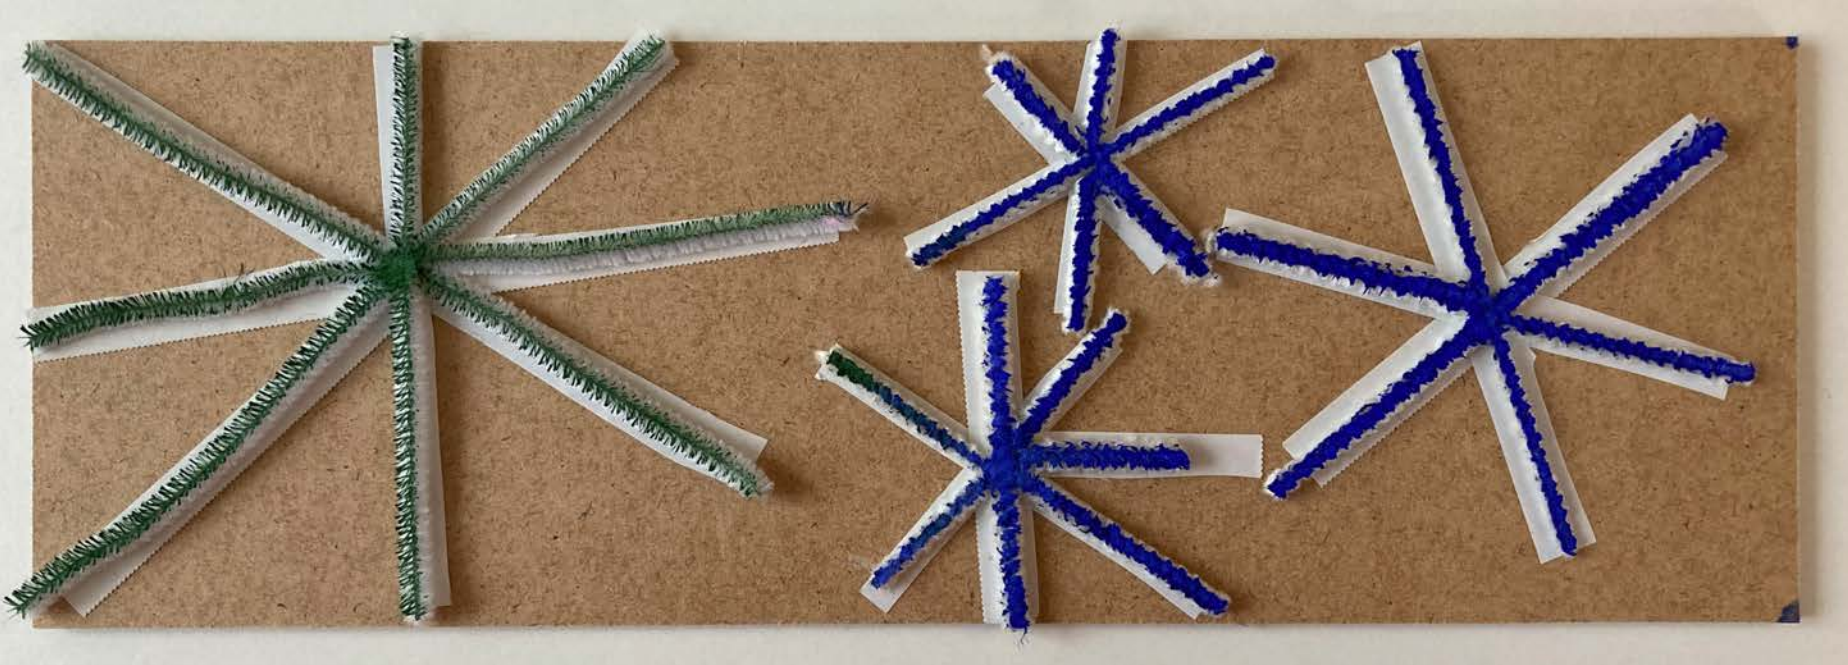

Sterne mit flachen Schwämmen

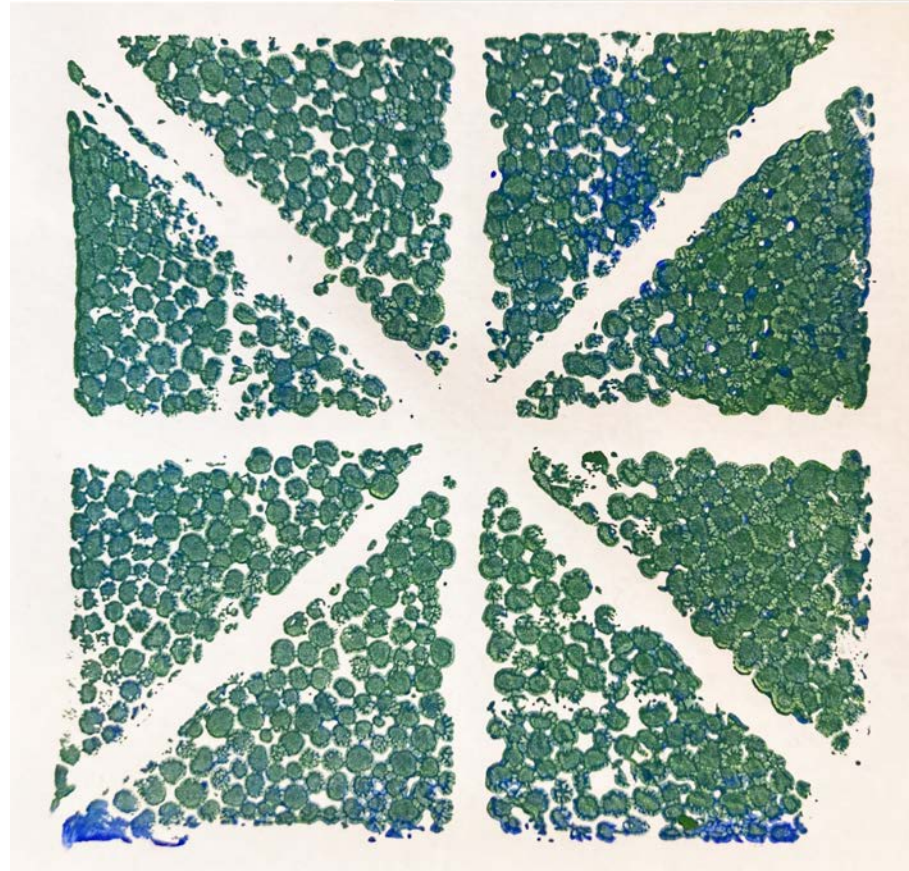

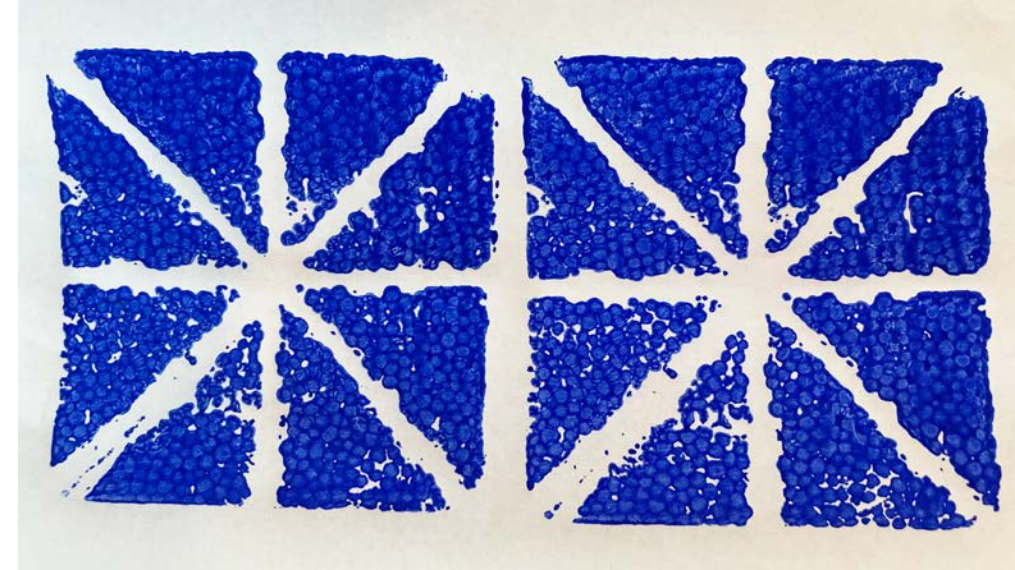

Sterne mit Korken

Sterne mit Plüschdraht und Pfeifenputzern

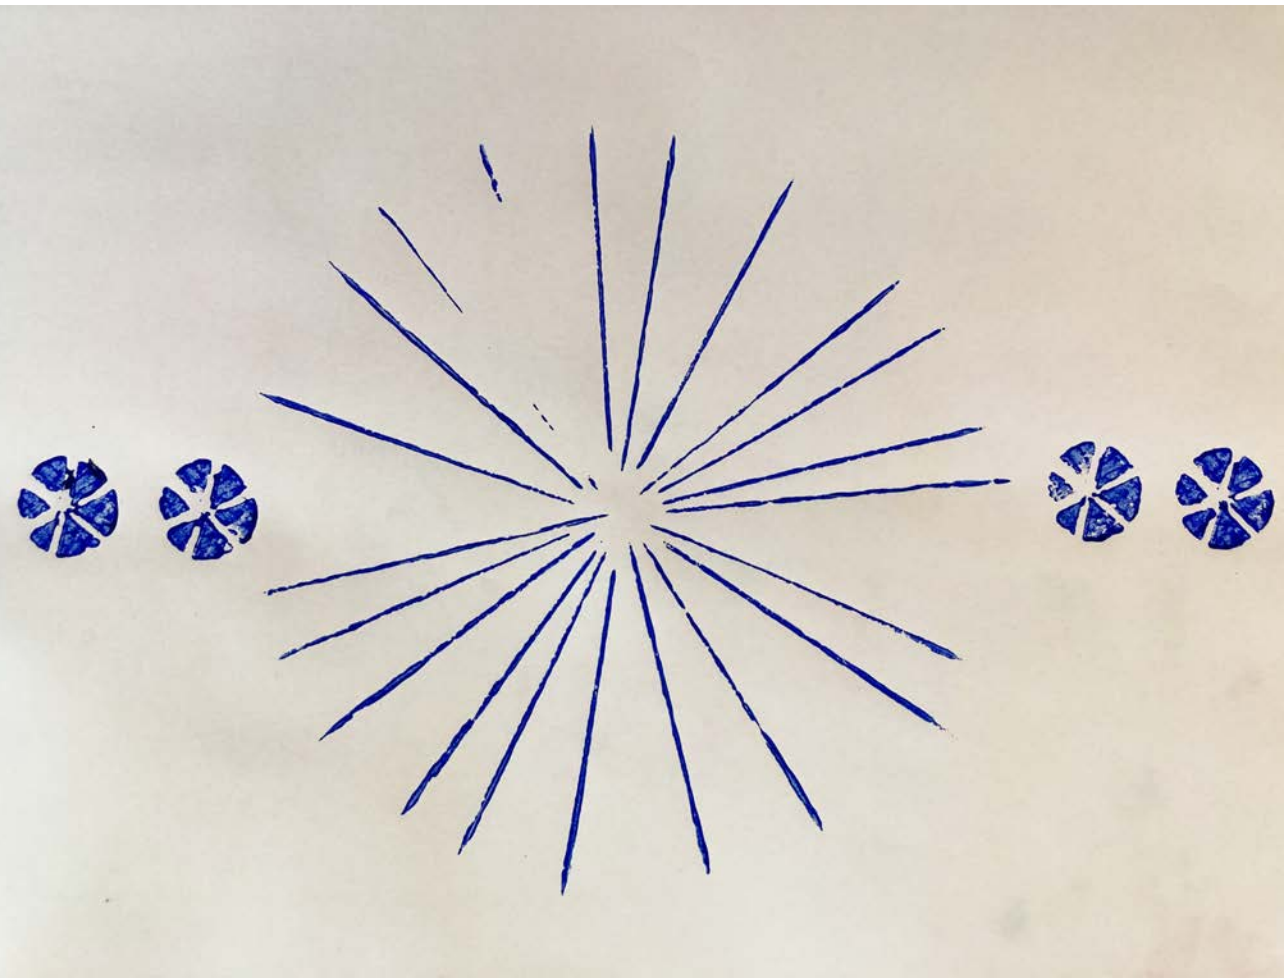

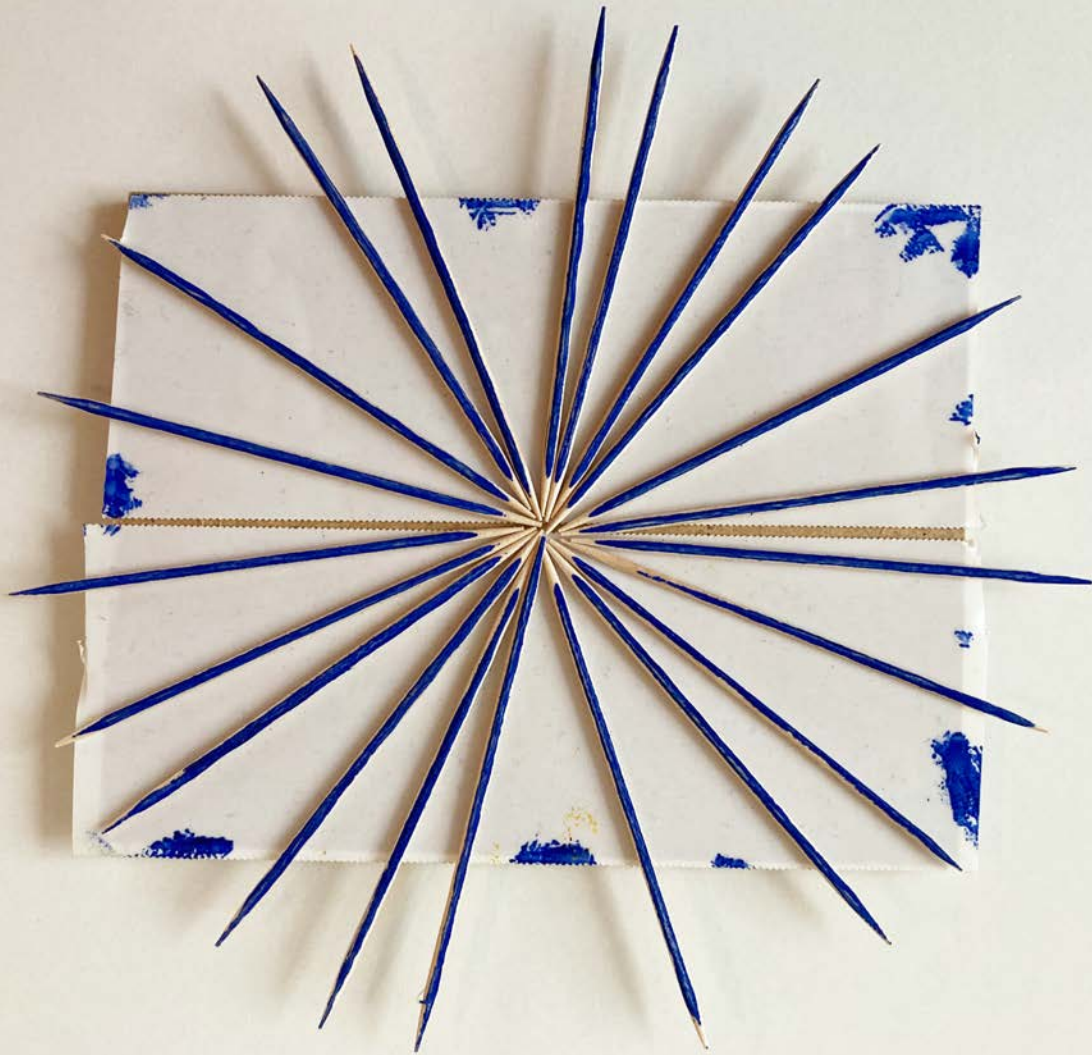

Sterne mit Styropor
